TALENT: FIRE PERFORMERS

THE ACT...

Sharing the stage and the flame, this duo will captivate with an opening act featuring massive 15-20 foot fire displays, skillfully passed back and forth. They'll then ignite bubbles on their arms, creating a mesmerizing dance of fire until the bubbles dramatically combust. Moving to their prep table, they'll flash-grill a succulent Wagyu steak, igniting liquor to conjure bursts of flame directly from their hands. As a grand finale, a final flourish of fire will crown the dish, served to the judges piping hot.
